

One-click access to your
benefits in one place

INTRODUCING THE SYDNEY HEALTH APP

Your time is important. With the **Sydney Health** mobile app, you can keep all your benefit information organized, which means you can spend less time looking for information and more time focused on your health and your priorities.

Simple

Our simple experience helps you quickly find the information that's important to you. You have access to Member Services, wellness resources, and an interactive chat feature.

Smart

You can use the chatbot to receive answers and to connect to the right resources at the right time.

Personal

Receive alerts, reminders, and tips directly from Sydney Health. Receive doctor recommendations based on your needs. The more you use it, the more Sydney Health can help you stay healthy.

With just one click, you can:

- Check all benefits
- See claims
- Get answers even faster with our chatbot
- View and use digital ID cards

Personalized support anytime, anywhere

The Sydney Health app focuses on you and your health. Log in at unicaremass.com/login with your UniCare username and password to manage your benefits all in one place.
