

Changes to your health plan on July 1, 2022

For Basic plan members

This is a list of changes to your health plan effective July 1, 2022. These changes apply to members with and without Comprehensive Insurance Coverage (CIC). They are included in your new member handbook, available at unicaremass.com/members/materials.

If you have any questions, please call UniCare Member Services toll free at **833-663-4176** Monday through Friday from 8 a.m. to 8 p.m. You can also email us at contact.us@anthem.com.

What's new starting July 1, 2022	Where to find details
Behavioral health services for children and adolescents (BHCA) – Benefits for the following services will now be available: ▪ In-home behavioral services ▪ Family support and training ▪ Therapeutic mentoring services ▪ Mobile crisis intervention ▪ Intensive care coordination	See Chapter 5 of your member handbook: "Covered behavioral health services"
PANDAS and PANS coverage – Your plan will offer benefits for the treatment of PANDAS (Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infections) and PANS (Pediatric Acute-Onset Neuropsychiatric Syndrome).	See Chapter 4 of your member handbook: "Covered medical services"
Benefit for molding helmets – This coverage exclusion has been removed. Molding helmets will require preapproval and will be covered under your benefit for durable medical equipment (DME).	See Chapter 4 of your member handbook: "Covered medical services"

The tiers for specialty group practices in Massachusetts will not be changing. As long as your doctor stays at the same group practice, his or her tier will remain the same for the new plan year. To check your specialist's tier, go to unicaremass.com.
